

16 Steps to take for INDOOR worship at St. Luke's

With grateful hearts, we take these steps towards in-person community. Out of continued Love of Neighbor, we will:

Before Sunday

1. Go to <https://stlukesdurham.org/>
2. Click on Signup Link; complete Signup (or go <https://www.signupgenius.com/go/10c0c4daaaa28a4fcc52-inperson>)

Sunday Before Arrival

3. If you are sick, have any symptoms, or may have been exposed to COVID-19 please stay home this morning.
4. Pack your mask, hand sanitizer, and bulletin (print or download to phone/tablet). Bulletins at <https://stlukesdurham.org/resources-for-in-person-worship/> scroll down.
5. Wash hands before leaving the house. Do not bring any food or drink and leave your water bottle in the car.

As You Arrive at Church

6. When you drive in, put your mask on (over nose and mouth). Stop to speak with our Hospitality Coordinator (located near the turn into the breezeway). You will be asked to confirm you are symptom-free and invited to park.
7. Proceed to South Entrance (fountain side), Masks required. Maintain 6 feet of distance from any other household or individual. Please no physical greetings (hand shake, hug, etc.).
8. Give your name to the usher, use hand sanitizer, find an open 'pod' of seating.
9. If you have an offering, please leave it in the offering plate at the Usher Table.
10. If you find you must sneeze or cough, please continue to practice good respiratory hygiene by doing so into your sleeve. If you need a new mask, please ask the usher for one.
11. Restrooms are now one person/pod at a time. Wash hands well after use and wipe all surfaces and door handles with provided wipes (do NOT flush wipes--dispose in

trash). Hand sanitize prior to re-entering worship area. Fresh masks available on restroom mirrors.

12. There will be no contact during the passing of the peace, and you will stay in place and be given instructions about how to receive the bread.

13. There will be no coffee hour or socializing after service at this time.

Leaving Church

14. Please exit the building immediately after the service is done. Keep distanced and do not pause in walkways.

15. Please don't congregate.

16. Alert the church if you become symptomatic or test positive for COVID 19 within 14 days of service by leaving a message at 919-286-2273 or e-mail rector@stlukesdurham.org

Go in Peace, to Love and Serve the Lord!
