

St Luke's Spring/Fall Fling
Donation Guidelines

The Fling will be here before you know it, and it's time to clean out your closets, attics, garage, wherever to donate to St. Luke's largest Outreach event! The following guidelines will help you decide on appropriate items to bring and help us all have a profitable sale.

- All items should be clean, mended, working and in good repair. We can't sell torn, dirty or broken items, so please do not bring them.
- NO Clothing items with one exception: we will accept t-shirts, sweatshirts, caps, etc., with college and pro team logos (i.e. UNC, Duke, NC State, Durham Bulls, Carolina Hurricanes, and others) in excellent condition. See more info in the newsletters and weekly announcements.
- All donations will be accepted in Johnson Hall beginning **the Sunday before the sale.**
- Only furniture that you can easily bring to the church. We can't pick up large pieces.
- Please place items in the appropriate department, i.e., kitchen, linens, books, etc. Areas will be well marked so if no one is there, you can find the right section.
- We have many types of merchandise accepted, but the following items will **NOT** be accepted:
 - Toys that are broken or missing pieces
 - Clothing or shoes (see exception above)
 - Mattresses and bed pillows
 - Futons and waterbeds
 - Sleeper sofas
 - Old, worn upholstered furniture in poor condition
 - Large appliances
 - Exercise bikes/Treadmills that cannot be proven to work
 - CRT's - these are Cathode Ray Tube televisions
 - Any electronic device and accessories that do not work
(eg. computers and associated equipment, DVDs, TV's etc)
 - Computer software
 - VCR tapes
 - Child car seats

The success of the Spring/Fall Fling depends on your generous donations.

Thank you!!
